

## Nurse Practitioner

Ohio Skin Center is seeking Nurse Practitioner with at least 2 years of Dermatology practice experience to work in our practice. The NP will provide assistance and support to the Dermatologist in assessing, planning, and providing patient care. We are looking for people with a positive attitude, willingness to learn, willingness to support the team and aim to provide excellent care to all patients.

We are a busy, fast paced office; being proactive while being efficient is crucial. Multitasking is a must.

### Responsibilities:

- Sees patients with general dermatology concerns, performing examination, diagnosis, and treatment. Refer to Dermatologist as needed.
- Write prescriptions.
- Performs office procedures within the scope of expertise, protocols, and available equipment.
- Accurate charting/documentation of history of present illness (HPI) and procedure.
- Inform patients on procedure and wound care instructions.
- Collaborates with staff to identify patient needs and to help develop plan to meet these needs.
- Ability to see 35-45 patients per day with staff assistance.

### Educational Requirements:

- Current license is required.
- Basic computer skills, able to type at least 40 wpm.
- Previous dermatology experience preferred.
- Previous EMA/Modernizing Medicine experience preferred.

We offer a comprehensive benefits package upon completion of the probationary period. *Pay for this position is based on license and the years of experience.*
